

REC1.F1: ADVERTISEMENT FOR Fire Safety Risk Assessor

Introduction

DDS (International) Limited is a Sittingbourne based Fire Safety Management company. We are an award winning and accredited safety management organisation who thrive on tackling the complexities of day-to-day bureaucracy and making things simple and straightforward for our clients.

We provide extensive fire safety management support to our clients in the UK covering all aspects of fire safety, compliance.

The Role

You will be a key player in ensuring the safety and security of buildings and occupants, conducting comprehensive fire safety inspections and preparing risk assessment reports that are vital in preventing potential loss of life and property damage.

Operating under strict government guidelines and regulations, you will play a pivotal role in ensuring full compliance with fire safety legislation and codes of practice. Your detailed assessment reports will serve as crucial evidence for Fire and Rescue Services, potentially impacting legal proceedings and outcomes.

To excel in this rewarding role, you must have a deep understanding of fire safety principles, regulations, and operational procedures. Continuous training and experience are essential to maintain your competence and effectiveness as a Fire Risk Assessor.

Join our team dedicated to upholding the highest standards of fire safety and make a meaningful contribution to the safety and wellbeing of others while advancing your career in a challenging field. Apply now to become a part of shaping a safer tomorrow. This role offers outstanding career opportunities within our organisation.

Location: Home-based with travel to various locations in the South of England, predominantly in Hampshire, Surrey, and Dorset. Candidates not residing in the Hampshire Area or in close commuting distance should not apply. You may also be required to stay away from home for short periods and visit our Head Office in Sittingbourne, Kent, when necessary.

What We Are Looking For

We are looking for individuals who are passionate about fire safety and making a difference in the industry.

Checklist:

1. Have experience working in/with Social Housing and Fire Risk Assessments.
2. Possess relevant fire safety risk assessment qualifications and certification.
3. Be self-motivated and self-disciplined.
4. Be physically fit and able to walk long distances and up multiple flights of stairs in high-rise buildings.
5. Hold a full, clean driving license.

6. Be willing to work flexible hours and travel regularly to different locations for on-site inspections.
7. Be comfortable working and travelling alone or with others.
8. Possess excellent attention to detail.
9. Have strong communication skills and enjoy working with customers and the public.
10. Demonstrate proficiency in Microsoft Outlook, Word, Excel, and internet applications.

If you answered **YES** to all the questions above, then we want to hear from you!

Candidates who do not live in the Hampshire Area or in close commuting distance and who DO NOT have Social Housing experience with Fire Risk Assessments should not apply.

Apply now and start your journey with DDS (International) Limited!
